

CECELIA

the ornament

JUST 5 STEPS TO OUTFIT YOUR HOLIDAY CHEER!

1) CUT ALONG ENTIRE OUTLINE OF CECELIA AND THE TREE

FOLLOW THE SOLID LINES AND MAKE SURE TO LEAVE ALL TABS INTACT! DON'T FORGET TO CUT THE SOLID LINE IN THE BACK OF THE TRUCK BOX.

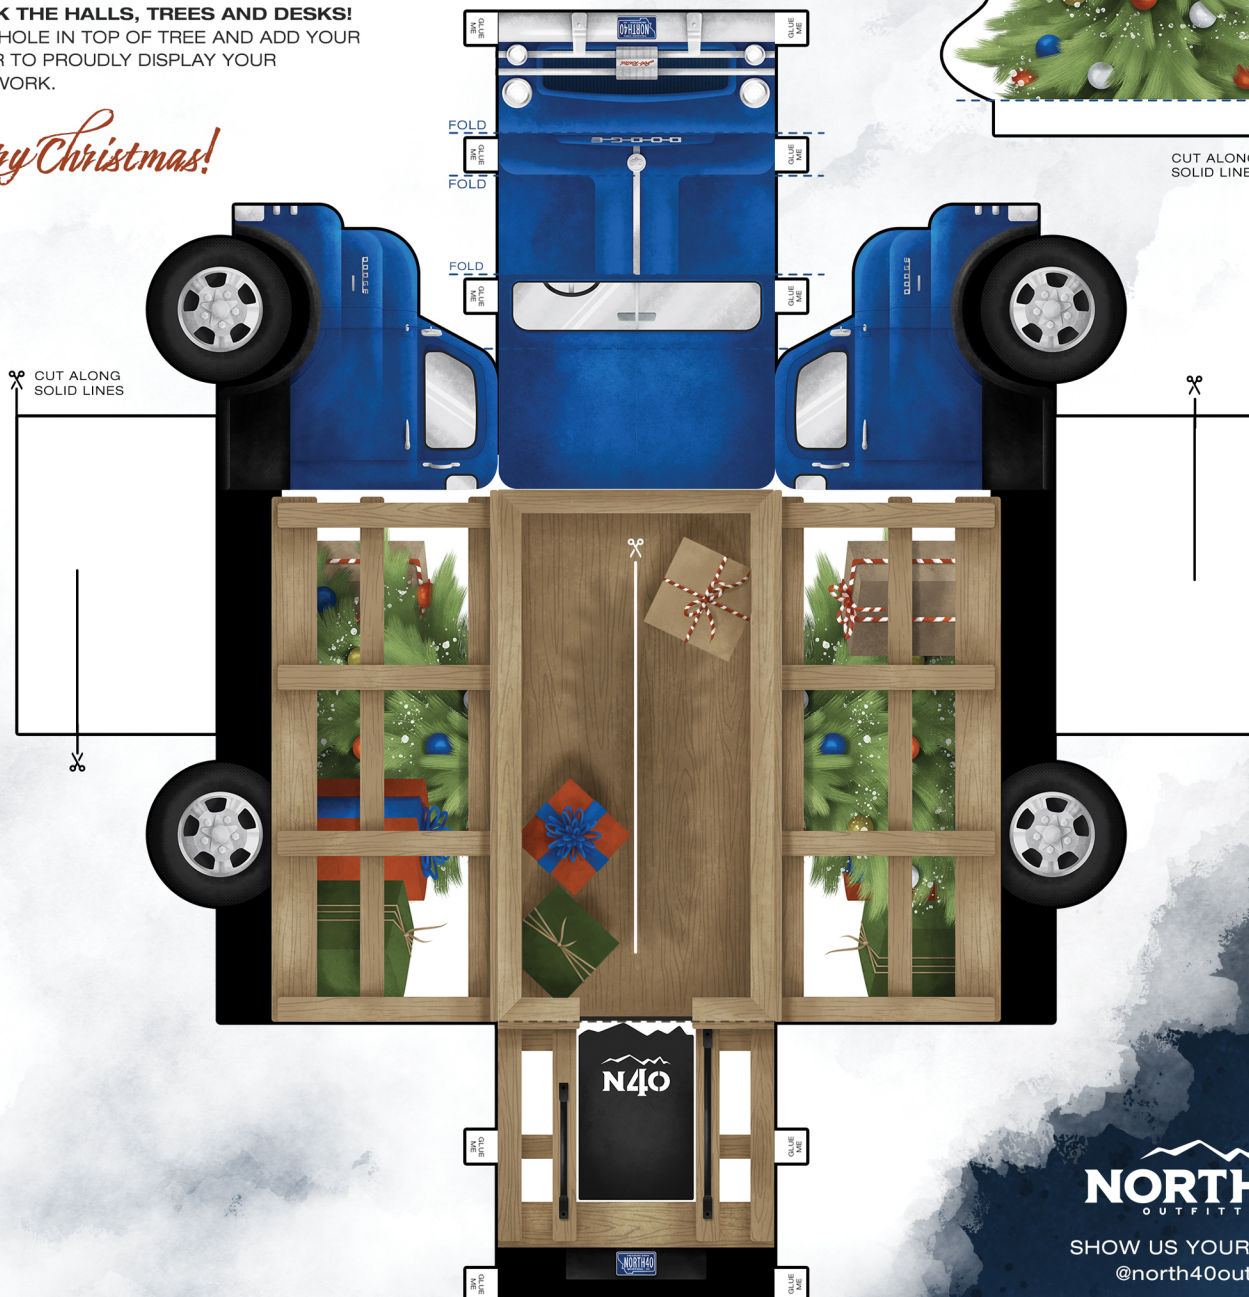

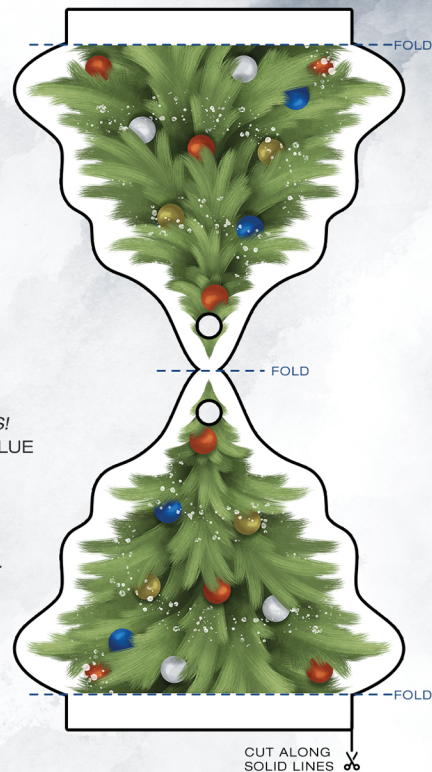

2) FOLD ALONG ALL DASHED LINES, THEN FOLD ALL TRUCK TABS INWARD

3) O CHRISTMAS TREE! GLUE THE TWO SIDES OF THE FOLDED TREE TOGETHER, *BUT DON'T GLUE TABS!* INSERT BOTTOM TABS OF TREE INTO THE CUT IN THE TRUCK BOX. FOLD TABS OUTWARD AND TAPE OR GLUE IN PLACE AGAINST UNDERSIDE OF TRUCK BOX.

4) BUILD YOUR TRUCK WORK ALONG THE HOOD OF THE TRUCK, GLUING TABS TO INNER SIDES OF CAB AS YOU GO. DO THE SAME FOR THE BACK OF THE TRUCK BOX. OVERLAP LARGE BOTTOM TABS AND INSERT THEM INTO ONE ANOTHER. TAPE OR GLUE FOR EXTRA SUPPORT. *DUCT TAPE NOT INCLUDED.*

5) DECK THE HALLS, TREES AND DESKS! PUNCH HOLE IN TOP OF TREE AND ADD YOUR HANGER TO PROUDLY DISPLAY YOUR HANDYWORK.

Merry Christmas!
